ARTICLE XVI - Representation Fee (Agency Fee)

Section 1

Subject to the conditions set forth in the paragraphs below, all eligible nonmember employees in this unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative until December 31, 1993. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

It is understood that the implementation and/or continuation of the agency fee program is predicated on the demonstration by the Association that more than 50% of the eligible employees in the negotiating unit are dues paying members of the Association.

After this Agreement is signed and approved pursuant to N.J.S.A. 2A:168-5, and when the Judiciary has finalized formal adoption of this system for nonmember appeals, and thereafter in each year of the Agreement on January 1, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the agency fee shall continue until the following annual assessment. If it has not, the agency fee will be discontinued and eligibility for reinstatement shall be on a quarterly basis as provided above.

If the agency fee is discontinued, an assessment shall be made on each quarterly date; i.e., January 1, April 1, July 1 or October 1, to determine if the minimum percentage is exceeded. If the minimum percentage is exceeded the agency fee plan shall be reinstated, with proper notice to affected employees.

Section 2 - Amount of Fee

Prior to the beginning of each contract year, the Association will notify the Judiciary and the County in writing of the amount of regular membership dues, initiation fees and assessments charged by the Association to its own members for that contract year, and the amount of the representation fee for that contract year. Any changes in the representation fee structure during the contract year shall be in accordance with Article XV, Section 4, above.

The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessment charged by the majority representatives to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

Section 3 - Deduction and Transmission of Fee

After verification by the Judiciary and the County that an employee must pay the representation fee, the County will deduct the fee for all eligible employees in accordance with this article.

The mechanics of the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

The County shall deduct the representation fee from a new employee as soon as possible after thirty (30) days from the beginning date of employment in a position in this unit.

Section 4 - Demand and Return System

The representation fee in lieu of dues only shall be available to the Association if the procedures hereafter are maintained by the Association.

The burden of proof under this system is on the Association.

The Association shall return any part of the representation fee paid by the employee which represents the employee's additional pro rata share of expenditures by the Association that is either in aid of activities or causes of a political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of other benefits available only to members of the majority representative.

The employee shall be entitled to a review of the amount of the representation fee by requesting the Association to substantiate the amount charged for the representation fee. This review shall be in conformance with the internal steps and procedures established by the Association.

Section 5 - Annual Notice to Nonmembers; Copy of Demand and Return System to Public Employer

The statement shall set forth the major categories of expenditures and shall also identify expenditures of the majority representative and its affiliates which are in aid of activities or causes of a political or ideological nature only incidentally related to the terms and conditions of employment or applied toward the cost of benefits only available to nonmembers of the majority representative.

(2) A copy of the demand and return system established by the majority representative pursuant to Supreme Court Policy as set out on N.J.S.A. 34:13A-5.6, including instructions to persons paying the representation fee in lieu of dues as to how to request review of the amount assessed as a representation fee in lieu of dues.

(3) The name and address of the financial institution where the majority representative maintains an account in which to escrow portions of representation fees in lieu of dues which are reasonably in dispute. The interest rate of the account in effect on the date the notice required by (1) above is issued shall also be disclosed.

(4) The amount of the annual representation fee in lieu of dues, or an explanation of the formula by which the representation fee is set, and the schedule by which this fee will be deducted from pay.

b. The majority representative shall provide a copy of the demand and return system referred to in (a) above to the Trial Court Administrator. The deduction of the representation fee shall be available only if the Association establishes and maintains this review system.

If the employee is dissatisfied with the Association's decision, he/she may appeal to a three-member board of the Public Employment Relations Commission Appeal Board.

Section 6 - Judiciary and County Held Harmless

The Association hereby agrees that it will indemnify and hold the Judiciary and the County harmless from any claims, actions or proceedings brought by any employee in the negotiations unit which arises from an agreement to deduct made

by the Judiciary and the County in accordance with this provision. Neither the Judiciary, the County nor the employee shall be responsible for any back payment of the representation fee for any cause upon the entry or reentry of the employee into the Association. The term excluded position shall include but not be limited to confidential, managerial, exempted positions, and leave of absence without pay.

If violations of any time frame occur regarding representation fee deduction, and they are brought to the attention of the Judiciary and the County, the Judiciary and the County shall review the matter and solve the problem on a prospective basis.

Probation officers wishing to attend such seminars and courses will submit a request to the Vicinage Chief Probation Officer/Division Manager to be reviewed. With approval of the Vicinage Chief Probation Officer/Division Manager and the Assignment Judge, the selected probation officers may attend such seminars and courses.
